restaurant & bar

Not just a remodelled 18 hole course, but a range of practice facilities to help you hone your skills. Not just great facilities, but great people too – with lessons from Ian Wright (PGA Pro) & Gareth Wright. And not just a new clubhouse with a great atmosphere, but a new restaurant with talent in the kitchen. We welcome non-members to all our facilities – and we'll welcome new members too. It only costs around £40 a month to become a member, and gives you unlimited access to all our practice facilities. To find out more see our website or call 0131 445 2239 to arrange a visit.
