

Midlothian Five-a-side Team

Our team match at Dalmahoy was going to be a daunting experience especially away from home and minus a few of our regular team players, but all those chosen did marvellously well considering they were each giving up at least ten shots to handicap.

On a warm sunny evening with little wind, the teams were started on their way, from Kay's ex pupil which was an extra incentive to do well. The course was in super condition.

Susie out at no 1 played some great golf having 2 birdies in the first nine and two over par, but unfortunately fading towards the end.

Muriel, didn't take her putting chances having been only one down at the turn, chipping in did help to keep the score reasonable, but she regretted not sinking some of the putts.

Kay, having never played on the East Course and her playing partner giving nothing away did well to be up by two early in the match but unfortunately fell away on the longer course.

The team were grateful to Louise who stood in at the last minute for the injured Sandra and did well except that she found a few bunkers which proved to be a testing time.

Margaret, playing in her first team match and over one of her favourite course, did not let the Team down but like Louise found the sand on too many occasions. The experience will no doubt help for the future matches.

Well done to all the ladies, all playing their part.

We were treated to fine hospitality and food afterwards.

Result: Dalmahoy 5 Swanston New 0 (Dalmahoy names first)

Kim Horne v Susie Williamson 4 & 3

Hilary Scott v Muriel Gilligan 4 & 3

Pam Woods v Kay Cuthbertson 6 & 4

Linda Lindsay v Louise Angus 7 & 6

Mary Nicol v Margaret MacConnachie 5 & 3"

Kind Regards

Mu
