

## 2018 Chapman Trophy

- i. The format will be singles match play over 18 holes on the Swanston Course.
- ii. Each round of the tournament will be played from the White Tees. Strokes will be awarded equal to ***the full difference*** between the National Handicaps of the two players ***on the date of the tie***.
- iii. The top name in the Draw is the “Challenger” who must offer his “Opponent” three dates on which to play the tie, one of which must be a Saturday or a Sunday. The “Opponent” should feel free to contact the “Challenger” at the earliest opportunity if there are dates on which he is unable to play due to work commitments, family holidays, etc. (*It is considered good etiquette that the losing player ensures that the name of the winning player is added to the draw sheet before leaving the course*).
- iv. **No extensions for playing a tie will be granted. (Competitors are therefore requested to try and play ties well in advance of the deadline dates)**
