Dear **Swanston Golf Gents Seniors Tue/Thu Society**

Thank you for your kind donation of £1444.00 to Marie Curie.

At Marie Curie we believe that every day of your life matters. When you are living with a terminal illness you feel that more than ever. We want people to make the most of the time they have together.

**Your support makes all the difference**

Marie Curie is the UK's leading charity for people with a terminal illness and their families. We are best known for providing hands-on nursing care day and night in people's homes and expert, round-the-clock care in our nine hospices, but we support communities in many other ways. Our Helper service offers people regular support at home from a trained volunteer, and we deliver a range of information and support services, including a confidential Support Line. We also fund vital research into improving the care that people receive at the end of life, and campaign to ensure that everyone gets the care and support they need, wherever they live. Your donation helps us continue and develop our work- thank you again; we simply couldn't do it without you.

There are many ways to continue supporting Marie Curie. If you are interested in volunteering, joining a local fundraising group or organising a fundraising event, please visit [www.mariecurie.org.uk](http://www.mariecurie.org.uk) or contact your local Community Fundraiser, Fiona Bushby on 0131 470 2291.

Thank you so much for supporting Marie Curie.

Yours sincerely,

Holly Radbourne
