The Brasserie have kindly agreed to stay open until 7.00pm for drinks and food, the kitchen will close at 6.00pm – if you want food please order before 5.30pm

Wylie, the Brasserie Manager has asked me to remind members they must adhere to the social distancing rules - better than what he has witnessed so far since re-opening.

There is a maximum table size of 4 people on the balcony and 6 people on inside tables.

I have attached some info which will be on all tables used by the Club for the Brasserie to use for track and trace and guidance on what is possible and what's not.

As the Covid19 rules for clubs, bars and restaurants insist on one bill per table only a final bill will be presented once you wish to leave – I would suggest you have a “kitty”

There will be the following note on all tables.

**FAO: ALL SWANSTON GOLF MEMBERS**

*Please follow 1 way system in operation.*

*To access the toilets please use the lift to return to ground floor and use the stairs to come back up.*

*You may use the stairs to access the ground floor if you can't use a lift.*

*Please remain seated at your table at all times.*

*We will offer 1 bill per table to reduce contact. You cannot pay for rounds individually.*

*Please enter your name on the back of this for track and trace,*

*Name only as club will have your contact details*

*Thanks for your cooperation*

**NAME:**

It would be nice to see as many members as possible, supporting the finalists, Club and Brasserie.

Regards

Mike Robson
